

Dear sports friends, TM Norstream Company in cooperation with the Czech Spinning Representation and SPORTOVNI RYBARSTVI JESTRABICE, spol. s.r.o. invites you to

II. Norstream CUP 2011

Date: 5.11. 2011

Location: lake Jestrabice

Instructions:

- 5-round individual competition with a rotation after every 60 minutes' round
- Sectors (spots) will be drawn. Each racing sector is marked by number and the competitor is allowed to fish only in the drawn sector (from drawn number to the number higher)
- The competitor must use a landing net for every caught fish
- The competitor always shows a caught fish in landing net to the referee and based on his order hooks off the fish and releases the fish back into the lake. The referee writes into the scoring card 1 point for each caught predatory fish (species mentioned bellow)
- Fishing techniques - only spinning
- Fishing according to the local set of fishing rules

Rules:

- Scoring rules: each caught live fish: trout, char, perch, pike, zander, bass, catfish, asp, brown bullhead and sturgeon **hooked in the head section is counted**. Each 1 fish = 1 point.
- It's allowed to use only 1 spinning lure with one single, double or treble hook. Hooks must have no tips!! (**use only barbless hooks**)
- After each round the competitor and the referee must sign the scoring card. The competitor gives the card to the referee. The card must be given to the referee till 25 minutes from the end of the round. If this period passes, card will not be accepted and the competitor will have zero points in this round.
- The maximum amount of prepared rods – 4 pcs..
- The competitor can fish (cast on) only in own drawn sector.
- The winner is a competitor with the lowest sum of positions of all rounds (position in each round is based on gained points in the round). In case of same scores decide:
 1. Total amount of caught fish (total amount of points)
 2. Amount of fish caught during 1st round.
 3. Draw (ticket, los).

Prohibition of Use:

- Holka with tips
- sbirulino
- lures containing feathers
- feeding and the use of live lures
- usage of side loads - **the load must be part of the lure**
